

# IS IT TIME TO GET YOUR "BUT" OUT OF THE WAY?

*You have an EMR system, BUT all your patient records are still on paper*

*You're thinking about an EMR system, BUT not sure how your records will be transitioned?*

- *Identify core documents for conversion*
- *Pull and manifest records for conversion*
- *On-Demand digital access during conversion*
- *Monthly budget programs*
- *Storage of records with "scan on demand"*

## **Are you depositing CASH into your systems instead of INFORMATION?**

At Southwest Solutions, we provide services that align with every budget. Sometimes that means chipping away at your back-file every month based on what you can afford. Medical practice managers often think it's an ALL or NOTHING decision, a perception that often results in doing nothing. We can help you GET STARTED with a plan that allows you to take action AND see an end result to your paper records. We don't offer ONE solution; we identify your challenge and provide THE solution that's right for you! Here's a sampling of the creative ways we can help you get started:

## **What does YOUR solution look like?**

**Making your information *work for you!***
